

# **Dual Enrollment Opportunities**

Presentation to the Board, January 18, 2023

*Dr. Kristi Kahl, Assistant Superintendent, OCIPD*  
*Carol Ortega, Program Administrator, OCIPD*

# What is Dual Enrollment?

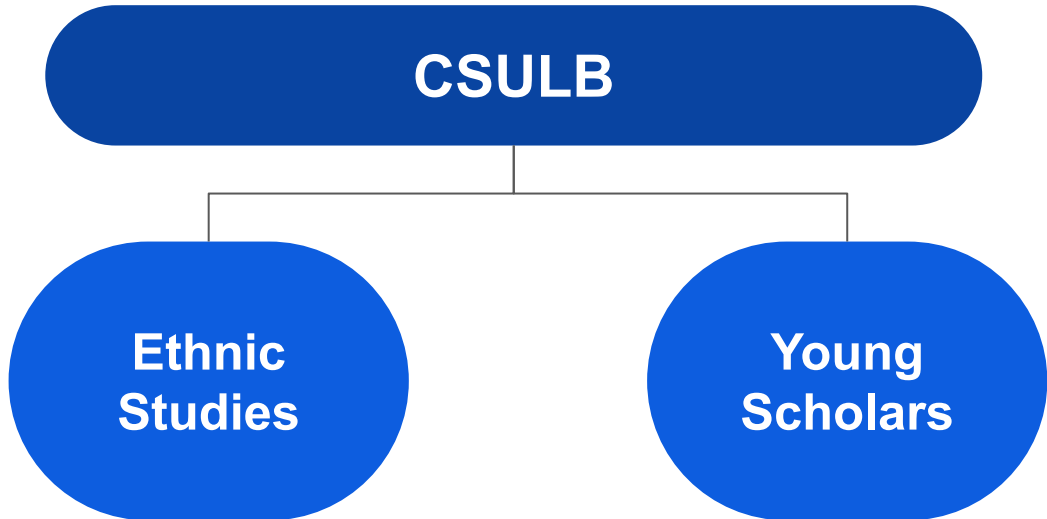

# Dual Enrollment in LBUSD

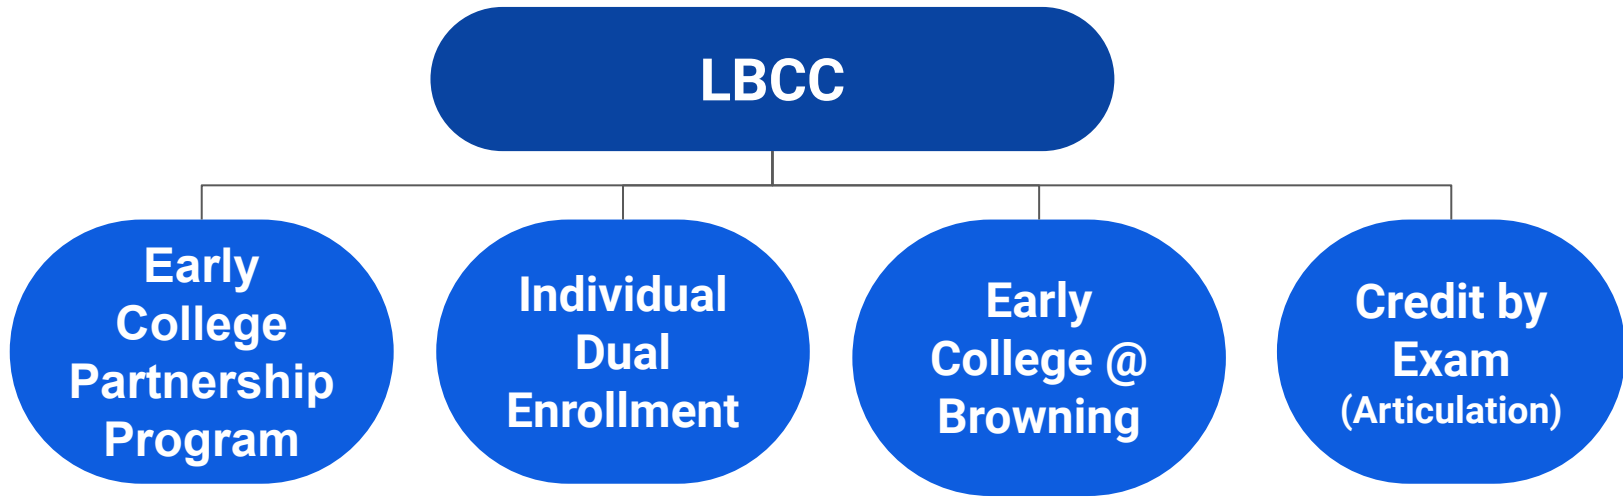

**CSULB  
CSUDH**

**LBCC**

**Compton  
College**

**Credit by  
Exam  
(Articulation)**

# Compton College

**CAMS:  
Adjunct  
Faculty  
(PLTW  
Engineering)**

**Independent  
Dual  
Enrollment**

**Cal State Dominguez Hills**

**CAMS**

# Data Collection Challenges

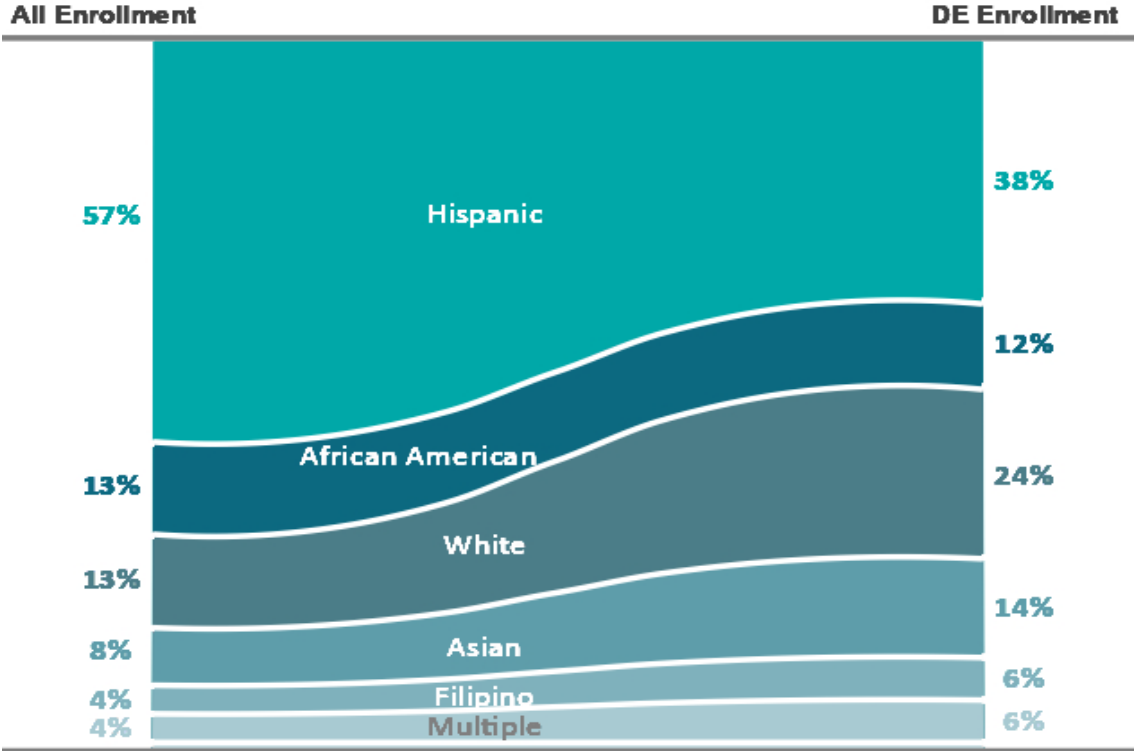

- Lack of CSU data sharing systems
- Compton College and CSUDH work solely with CAMS
- Other DE data must be submitted by students
- Data slides only include LBCC data

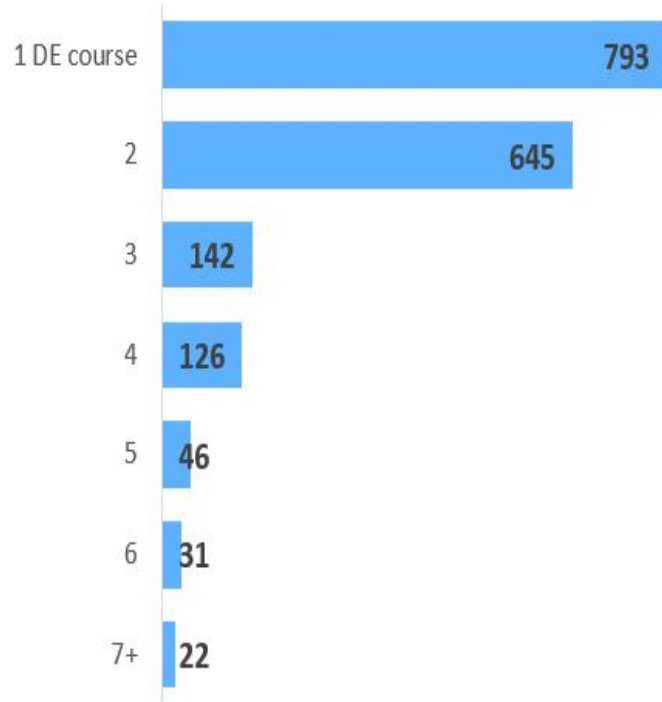

# LBCC Dual Enrollment by Race/Ethnicity

Hispanic: -19  
 African American: -1  
 Filipino: +2  
 Multiple ethnicities: +2  
 Asian: +6  
 White: +9

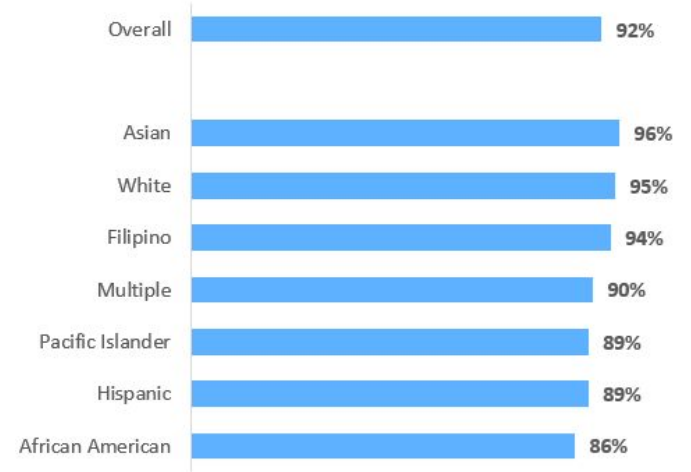

# LBCC Dual Enrollment Frequency and Success Rate

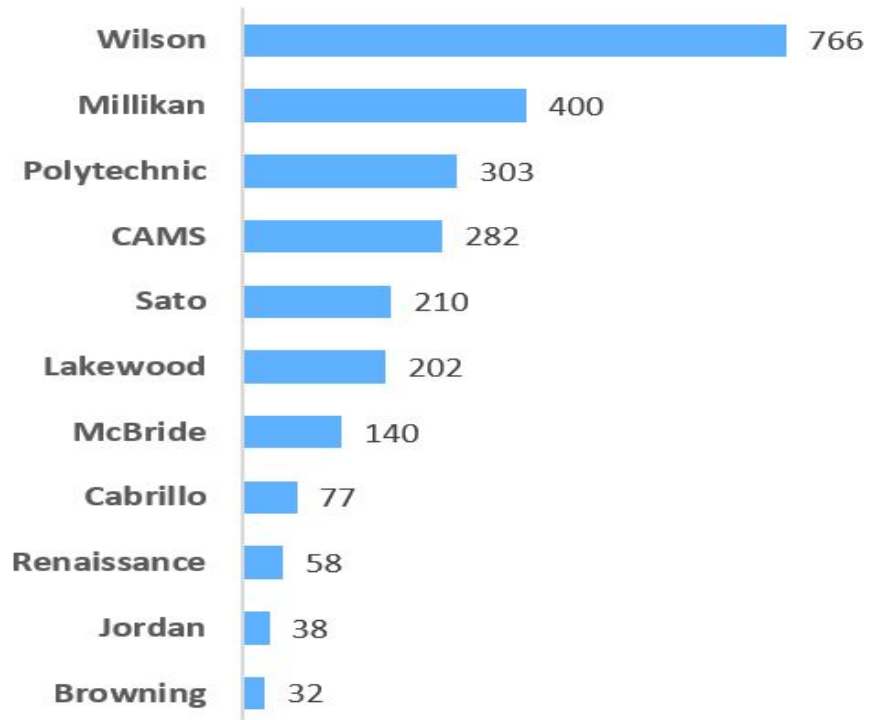

## Successful completion of DE Courses: A-B-C rates by ethnicity

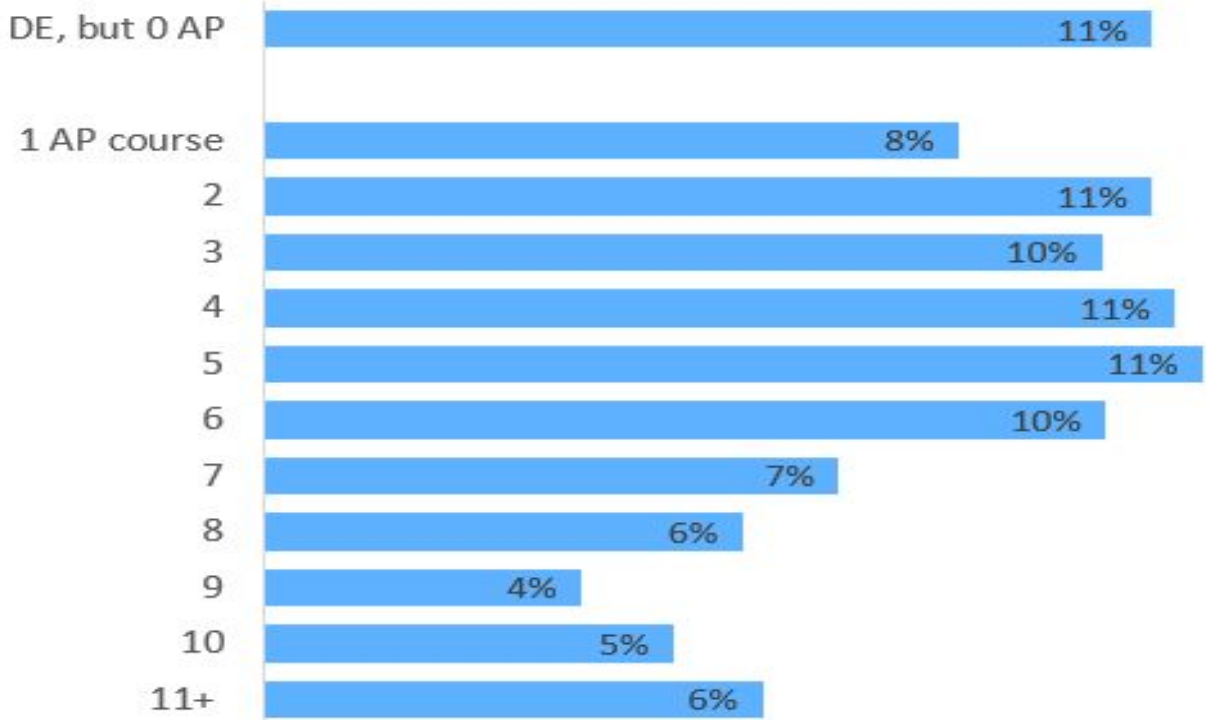

Overall students were successful in DE courses.

# LBCC Dual Enrollment by Site

# LBCC Student Enrollment in AP Courses & Dual Enrollment

# Questions Raised by the Data

- How can we enroll more Latinx students in DE courses?
- How successful are our students in various DE environments?
- How do we improve DE access for students who are not taking AP courses?

# Possibilities for Expansion

- More on-campus courses
- During the school day, taught by LBCC faculty
- Taught by LBUSD teachers (LBCC adjunct)
- Expanding industry-based electives
- Increase General Ed. courses which fulfill A-G requirements and transfer requirements
- Mapping pathways to allow AA in HS + 1 year

# Challenges

- CSULB Ethnic Studies: \$400-600+
- CSU Young Scholars courses: Students pay approx. \$100
- Students need textbook assistance
- Ensuring all students are successful
- Providing professional development to college instructors to ensure age appropriate instruction
- College transcript Implications if low grades are earned
- Data collection
